Educational Services

Dear Parents and Students,

Clovis Agility and Performance Academy (CAPA) is available for our K-12th grade students to use. CAPA is a state-of-the-art athletic training/gym facility. CUSD teachers and staff will be on-site for four sessions each day, providing first rate physical education to our students.

During each semester, high school students who attend at least two sessions per month (Minimum 5 months) and complete fitness logs will satisfy their PE requirement in its totality (each session removes 1/2 credit from the Online PE Course) for a pass/fail grade. Students who attend 10 sessions at CAPA, complete the online portion of PE, AND complete all fitness logs will receive a letter grade and 5 credits, instead of a pass/fail grade.

Students may choose to participate in one session daily, one time a week, or twice a month. There are three sessions held each day for 7th-12th grades and one session for Elementary (K-6th).

Sessions each day will be a fun Cardio, Yoga, and/or strength training type workouts that will utilize equipment such as spin machines, weight machines, outdoor and indoor activities.

Students should arrive on time to avoid having to be rescheduled. If parents are dropping students off, please drop off no more than 5 minutes before the scheduled time and please pick up on time as well.
