

## Chemistry Lab Schedule 2018-19

### Chemistry AB (P)

Clovis Online requires that all students taking Chemistry (P) must attend mandatory wet labs with hands-on experience to meet college entrance requirements. Clovis Online considers the lab process a critical component of any laboratory science course because it brings the scientific process to life.

### Chemistry 2018-2019 Requirements and Schedule

(Parent/Guardian Initials \_\_\_\_ ) if you fail to attend all required labs you will not be able to get better than a "D" grade in the course. Note – Many colleges/universities do not accept a grade of D or lower as a college prep class in the sciences.

You will be signed up for a two-hour block of lab time on the assigned lab days. All Chemistry labs will take place at the Clovis Online School in P-1. If you come late, you will not be allowed to attend the lab. Your signatures below acknowledge the information provided on this form. (Parent/Guardian Initials \_\_\_\_).
