

# How It Works: Tutor.com

Connecting with expert tutors for on-demand, 1:1 help

The expert tutors at Tutor.com can help you work through a tough homework problem, improve your writing skills, study for a test, review a difficult concept, and so much more!

## Get started

Look for Tutor.com in Clever – > Textbook Resources for 24/7 access to live tutors, essay drop-off, test prep resources, and more.

01

## Get the right tutor

Fill in the quick pre-session questionnaire. Using this information, we will match you with the first available tutor best qualified to assist you.

Live one-to-one help is available

The screenshot shows a questionnaire titled "What do you need help with today?". It includes fields for "Topic" (Math), "Grade" (10th), and "Subject" (Algebra II). There are also options for "How would you like to work with your tutor?" (Chat Only, Chat + Voice) and a text area for "Enter your question". A "CONNECT NOW" button is at the bottom right.

## Work together

Use the chat box or an audio connection to work with your tutor in the online classroom. Use the interactive whiteboard to share work and ideas. *All activity in the classroom is recorded for your review and quality control.*

03

## Submit your paper

**Drop-Off Review** allows you to get expert help from a tutor without having to connect for a live session. Upload your writing assignment and get detailed feedback within 12 hours. Retrieve your tutor's completed review under **My Sessions**.

The screenshot shows the "Drop-Off Review" submission form. It includes fields for "What subject or topic are you working on?", "What is the topic of your paper (please enter max character length is 1000)?", "Where are you in the writing process?", and "Please describe your assignment and any instructions you've received from your teacher or professor (please enter max character length is 1000)". There are also buttons for "Connect", "Submit", "Drop off", "Take", and "Other Tools".
